**SPECIAL NEEDS:** There is a growing population of homeschooling students who struggle with learning. If you believe your child is on the spectrum of special needs, please let us know. We will need to assess your child to see if BFA is the right fit for them. ## Statement of Policy

Bethel Family Academy (BFA) is a ministry of Bethel World Outreach Center. The following policies have been established to provide reasonable standards and procedures of operation for all families whose children are enrolled in BFA.

### **Application and Enrollment**

Application for enrollment in BFA is open to all home schooling families who are committed to the Lordship of Jesus Christ, declare that the Bible is the only authoritative standard and are in agreement with our procedures, policies and standards. BFA is not racially discriminatory and does not exclude families from enrollment based on race, nationality, or ethnic origin. However, because the school is a religious organization and a ministry of Bethel World Outreach Center, we are not obligated to accept all who may apply (based on religious beliefs and affiliations).

### **Attendance**

The purpose of the Bethel Family Academy program is to support and enrich your child's home school education. For this reason, regular attendance is extremely important. With the exception of illness, family emergency, etc., your child will be expected to attend all class days.

### **Tardiness**

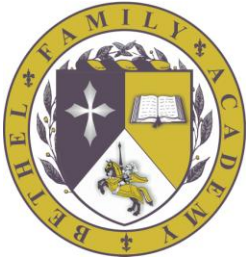

Parents are asked to have their children at school at 8:45 a.m. on Tuesdays and Thursdays. Classes will begin promptly at 9:00 a.m. and end at 3:00 p.m. Any parent picking up after 3:15 will be assessed a late fee.

### **Tuition Payment**

In order for BFA to maintain a quality program, a yearly commitment is required. Monthly payments are due on or before the first class day of each month. Any tuition not received by the 3rd Tuesday of each month will be assessed a late fee of \$5.00 per child. Tuition payment reserves your child's spot in class and cannot be waived for family vacation, sick days, etc.

### **Disciplinary Procedures**

Parents have the primary responsibility before God to train and discipline their children. BFA teachers and administrators are a secondary source for this training. In order to maintain an atmosphere conducive to learning, inappropriate behavior will be dealt with directly, in a firm and loving manner. Parents will be contacted regarding any serious or repeated problems. Any ongoing discipline problems may result in dismissal. Please review, sign and return the BFA Discipline Plan.

## Statement of Policy (Cont.)

### **Subversion**

BFA strives to provide an excellent atmosphere for both students and parents. We hire and retain the best qualified instructors available and maintain a comfortable, safe environment for learning. Our activities, whether on campus or off, are exceptional and reflect many hours of planning and consistent, thoughtful execution. It is reasonable for parents to expect this high level of quality and it is also reasonable for BFA to expect the same from the families and staff involved with the program. Students or families that intentionally subvert the activities, classroom, or other environments of BFA will be asked to withdraw. Refunds of tuition will be handled on a case by case basis.

### **Compliance**

In order to encourage compliance with TN state homeschooling laws, BFA will enforce any relevant regulations necessary to run the program legally. Please keep in mind that BFA is a supplement to homeschooling and that in-home, daily instruction is still necessary for all BFA students. We also require membership in the Middle Tennessee Home Education Association (MTHEA). MTHEA is a regional chapter of the THEA and works to help homeschooling grow, prosper, and remain legal for the next generation. A copy of membership card must be included with application.

## DISCIPLINE PLAN

As we believe that life-long success depends on self-discipline, we have developed a Discipline Plan that affords every student the opportunity to manage his or her own behavior. Your child deserves the most positive and peaceful classroom experience possible. Therefore, the plan will be in effect without exception during our time together on Tuesdays.

### **Classroom Rules:**

1. Follow directions.
2. Keep hands, feet and all objects to yourself.
3. Show respect to others and their property.

If a student's behavior is disruptive or inappropriate the teacher will take the following approach:

<b>First</b>	The teacher will speak to the student in the class, identifying the behavior and its negative effects and will help the student to choose a more appropriate behavior.
--------------	--

<b>Second</b>	(offense of same behavior or attitude) The teacher will take the child aside privately and talk about the offense. (to find underlying cause, etc.). Teacher and student may choose to pray before returning to class.
---------------	---

<b>Third</b>	The student will go to see director or assistant director. Parent will be notified. Discipline report will be filed. Three Discipline Reports may result in dismissal.
--------------	--

### **Severe Disruption**

Child will be sent immediately to director's office. A discipline report will be filed and parents contacted. Physical aggression of any kind (hitting, kicking, biting) will not be tolerated and is grounds for immediate dismissal.

Due to the nature of this program it is imperative that students come with a willingness to learn, to cooperate with one another and to respect authority. BFA reserves the right to dismiss a child who displays a consistent pattern of disrespect or behavior that is not acceptable for the program.

*I understand the Discipline Plan and have reviewed it with my child(ren):*
